

Glass Recycling Guidelines & Signup Form

Wasatch Front Waste and Recycling District is excited to announce the official start of the curbside Glass Recycling program. Thank you for your participation in this new program.

Tenant's Address	Owner's Address
Service Address	Billing Address
Phone #	Phone #
E-mail	E-mail
E-Signature	E-Signature
Date	Date

The property owner at the above service address must agree to pay the annual fees. If you are a tenant, you must get the property owner's signature as they are ultimately responsible for the fees.

FEE STRUCTURE

\$45 Start-up fee	The startup fee will be applied to your quarterly statement. Included in this fee are the delivery, maintenance, and repairs to the glass recycling can.
\$96 Annual fee	Charges to be spread over 12 consecutive months and will be assessed quarterly on your regular garbage and recycling bill.
\$24 Annual fee	Additional glass recycling can (plus the \$45.00 start-up fee for each can)
\$10 Removal fee	PLEASE NOTE the annual fee will not be reduced if you end the service early.

GUIDELINES

- Collection dates will vary, however reminders via text, email or robo-call can be arranged by Momentum Recycling. Verify collection days on our website wasatchfrontwaste.org. Visit momentumrecycling.com for monthly pick-up reminder, or call 801-355-0334
- The can(s) will be used at the above address only
- The can(s) is/are the sole property of the Wasatch Front Waste and Recycling District
- The can(s) is/are in good condition when delivered and shall stay that way. Damage to the can(s), beyond reasonable wear and tear, will result in a replacement fee of \$55.00
- Do not overload your glass recycling can(s)—the lid should close
- Please have your can(s) out by 7 am on the day of service
- Place all cans three (3) feet from objects, such as cars, trees, street signs, and other refuse cans

Yes These items go in the can

- Glass bottle and jars ONLY
- Broken bottles and jars are okay
- Empty container, remove lids, corks
- Do not place items on the side of the bin

No Please do not discard these items in your glass recycling can:

- Ceramics
- Windshields
- Pyrex
- Light bulbs
- Sheet glass such as windows, mirrors, and fish tanks
- Dishes, plates or table glasses
- Bags, boxes and 6 pack cartons
