Attn: Anthony Adams

I. BACKGROUND INFORMATION

Wasatch Front Waste and Recycling District (WFWRD), was established in 2013, and serves an area of approximately 250 square miles. The district is headquartered in Midvale Utah, about 12 miles from the State Capital in Salt Lake City, Utah.

Currently the District services about 81,270 homes; there are about 83,870 active accounts that are billed on a quarterly basis.

WFWRD's financials consist of one enterprise fund.

Total district-wide revenue was \$18,123,501 for the fiscal year ended December 31, 2017. WFWRD uses Caselle software for its accounting applications.

WFWRD is required by State law to provide an annual audit of its financial statements by a Certified Public Accountant in accordance with generally accepted auditing standards. This requirement includes: 1) a financial statement audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, 2) a State Compliance Audit in accordance with the *State Compliance Audit Guide* issued by the Office of the Utah State Auditor, and This audit must be submitted to the State Auditor's Office within six months after the end of the fiscal year.

II. OBJECTIVE AND SCOPE

The purpose of this request for proposal (RFP) is to contract with a certified public accounting firm (Contractor) to provide financial audit services for the fiscal year ending December 31, 2018, with anticipated contract continuation for the succeeding two additional fiscal years.

A. AUDIT STANDARDS

The auditor shall perform a financial audit and a state compliance audit for each fiscal year of the contract period in accordance with the following:

- Auditing standards generally accepted in the United States of America, as promulgated by the American Institute of Certified Public Accountants (AICPA);
- The *AICPA Audits of State and Local Governmental Units* audit and accounting guide;
- *Government Auditing Standards*, 2011 revision, published by the U.S. Government Accountability Office;
- For the state compliance audit – the *State Compliance Audit Guide*, issued by the Office of the Utah State Auditor;

B. REPORT REQUIREMENTS

- Financial Report – Management prepares and prints the District’s Comprehensive Annual Financial Report (CAFR) including all financial statements and combining and supplementary information. The auditor shall audit the CAFR and records of WFWRD District and shall issue an auditor’s opinion on those financial statements.
- The Auditor will assist the District in reviewing the CAFR in preparation for submission to the GFOA (Government Finance Officers Association.) The District has received the Government Finance Officers Association’s Certificate of Achievement for Excellence in Financial Reporting for the 2016 fiscal year and believes its fiscal year 2017 CAFR will also qualify for the award. Such financial statements shall be prepared in conformity with accounting principles generally accepted in the United States of America as promulgated by the GASB.
- Independent Auditor’s Report on Internal Control Over Financial Reporting and on Compliance and Other Matters – The auditor shall issue a report on internal control over financial reporting and on compliance and other matters in accordance with *Government Auditing Standards*.
- Report Required for State Compliance Audit – The auditor shall prepare and include a statement expressing positive assurance of compliance with State fiscal laws and other financial issues related to the expenditure of funds received from federal, state, or local governments identified in the *State Compliance Audit Guide*, issued by the Office of the Utah State Auditor. This statement is in addition to the compliance opinion required as part of a single audit.
- Management Letter – If appropriate, the auditor shall prepare a comprehensive management letter including the auditor’s findings and recommendations relative to the internal control over financial reporting, compliance with laws and regulations, as applicable, and adherence to generally accepted accounting principles.
- Reporting Deadlines – The audit must be completed and 20 physical copies with an electronic copy of each of the required auditor’s reports must be coordinated and/or submitted to the District by April 15, 2019.

III. AUDIT TERM

If the selected firm performs satisfactorily for the December 31, 2018 audit, it is anticipated that the same firm will be engaged to perform the audit for the succeeding two years through fiscal 2020, subject to an annual performance evaluation, District budget appropriations, and the needs of the District.

H. INSURANCE

- Currently rated A- or better by A.M. Best Company; or
- Listed in the United States Treasury Department's current listing of Approved sureties (Department Circular 570) as amended.

The successful offeror shall furnish certificates of insurance, acceptable to WFWRD, verifying the foregoing matters concurrent with the execution of the contract with WFWRD and thereafter as required. In the event any work is subcontracted, the successful offeror shall require its subcontractor, at no cost to the District, to secure and maintain all minimum insurance coverages required of the successful offeror hereunder. In the event that governmental immunity limits are subsequently altered by legislation or judicial opinion, the successful offeror shall provide a new certificate of insurance within 30 (thirty) days after being notified thereof in writing by WFWRD, certifying coverage in compliance with the modified limits or, if no new limits are specified, in the amount acceptable to WFWRD. All required certificates and policies shall provide that coverage thereunder shall not be canceled or modified without providing at least 30 (thirty) days prior written notice to WFWRD. In the event the successful offeror fails to maintain and keep in force any insurance policy as required therein, WFWRD shall have the right, at its sole discretion, to obtain such coverage and reduce payments to said offeror for the costs of said insurance.
